

Using the Nature Maps – SA Government resource there are many filters that can be applied to show the properties in the area as well as searches for regions, cadastral areas, property boundaries etc. This filter picks up all of the Heritage agreements in the area and indicates which Heritage agreement HA they are associated with. Captured in this image is the Section 13 Heritage agreement (one of 12) as well as the other sections that we have closer to black Hill Of the ten HA's captured 16:6 has four allotments across two separate agreements.
